Free Education for Orphan Children & Special benefits for poor children.

Jagriti Vidyalaya's Motto & Emblem

The motto of the school, "*Achieving Excellence Together*," involves collaboration, shared goals, open communication, and a commitment to continuous improvement. It's about harnessing the collective strengths of a group to reach a common objective, fostering a supportive environment, and valuing each member's contributions. Regular feedback and a focus on learning from both successes and challenges are crucial for sustained excellence as a team.

"*Jagriti Vidyalaya*" would likely involve collaborative efforts among students, teachers, and staff. Our school aims to provide quality education to children from poor to rich together. This includes fostering a positive learning environment, encouraging teamwork, effective communication, and a commitment to continuous improvement in both academics and extracurricular activities.

Education breeds confidence
Confidence breeds hope
Hope breeds peace
And peace breeds success!!!

A child without education is like a bird without wings.

HEAD OFFICE HAZARIBAG:

This Jagriti Vidyalaya of "Janta Jagriti Vikas Kendra" is built on the sacred land of picturesque village "Arid, Umedanda, Burmu, Ranchi", whose area is five acres fifteen decimals. It has residential schools, libraries, laboratories, computer labs and special arrangements for teaching dance and music arts, excellent playgrounds for physical development, best means of entertainment for the intellectual development of children, all available in a pure and clean environment. Running such welfare schemes in Jharkhand is the mainstream of "Janta Jagriti Vikas Kendra". To keep this stream moving forward, the head office is ready to provide service at all times.

CITY OFFICE RANCHI:

The city office of Jagriti Vidyalaya serves as a centralized administrative hub, streamlining tasks that are crucial to the school's daily operations. This city office serves as a hub for communication not only within the school but also with external entities. It addresses specific challenges or opportunities that arise within the urban context, fostering a school environment that is responsive to the diverse needs of its students and families. The city office of our school is a dynamic and essential component of the educational infrastructure. It goes beyond administrative, acting as a catalyst for community engagement, efficient coordination, and effective communication. Through its multifaceted responsibilities, the city office plays a crucial role in shaping the educational experience for students and contributing to the overall development of the community it serves.
